V. Proposal to include the village site of Gavipuram within the limits of the City Municipality.

Resolution.—The Board consider that the locality above indicated being situated near to the City Municipal limits and largely resorted to by the public for purposes of performing ceremonies &c., it is desirable that sanitary measures should be enforced thereon and, with this object, the Board resolve that application be made to Government to bring the village site of Gavipuram as well as that on which the present chuttrums stand within the limits of the City Municipality.

VI. Estimate of the probable cost of repairing Government chuttrum now under the management of the City Municipality.

Resolution.—It has been ascertained that a surplus amount of Rs. 1,263—C—9 appertaining to the above chuttrum is now in the hands of the Bangalore Amildar. The Government be therefore requested to place the said amount at the disposal of the Municipality to enable them to carry out the necessary repairs required to the said chuttrum which is urgently in need of them. In the meanwhile, the estimate of the probable cost be submitted to Government for early sanction.
